## Customized Vegetable Shares

Your share contents are based on what we are harvesting and your veggie preferences.

**No more getting what you don't like. Lots more getting what you love.** It gets better...each week you will have the option to swap out items for other items that are available if you need a change to your share up or want to purchase extras.

### STANDARD SEASON SHARES

mid June–October (20 weeks)

**SMALL SHARE \$20/week (total season \$400)** This is our practical share. Not too much but enough to be sure you eat your veggies each week! It is a good amount for a small household with 1-2 people. Or the perfect size if your partner is anti-veggie and you have to sneak them into their diet without them noticing.

**MEDIUM SHARE \$30/week (total season \$600)** This share is a good amount of veggies for someone who isn't afraid to cook. Typically it works well for a 3 to 4 person household. Sometimes there might even be enough to squirrel veggies away in the freezer for winter time. If you like a balanced diet with veggies showing up in most meals then this is the size for you.

**LARGE SHARE \$40/week (total season \$800)** This share is for the inner herbivore in us all. It should be plenty of produce for a 4+ person household. You will likely have some extras to freeze so that you can thank yourself in the winter when your going through pepper and tomato withdrawals.

### EXTENDED SEASON SHARE

November–December (4 pickups)

**\$40/box for a total of 4 pickups (total season \$160)** These shares are filled with delicious fall root crops (carrots, beets, potatoes, onions, garlic, shallots, parsnips, rutabaga, turnips, celeriac), some leafy greens in the November shares (kale, celery, cabbage), winter squash, and local items such as maple syrup, honey and apples. The quantities will be a hearty amount to feed a household of 3 to 4 people for 1-2 weeks (very dependent on eating habits).

### BREAD SHARE

from Thunderbird Bakery, Oshkosh

**SOURDOUGH LOAF \$7.50/week** Thunderbird Bakery makes traditional naturally leavened sourdough bread: hard shell outside, chewy goodness inside. Choose from every week or every other week. Sourdough loaf types will cycle through Country White, Violet Rye and Seeded Whole Wheat.

### PASTA SHARE

from Dalla Terra, Appleton

**PASTA SHARE \$7/week** Dalla Terra makes premium, handmade pasta that is SUPER delicious! The pasta is dried and has a very long shelf life. The types of pasta will vary along with flavors throughout the season: spaghetti, pappardelle, lasagna, basil, sea salt, roasted red pepper, etc. Pasta is offered every week or every other week.

### MUSHROOM SHARE

from Gourmet Delight, Eden

**CRIMINI (Baby Bella) MUSHROOM SHARE \$6/week** Gourmet Delight is a family owned operation that grows high quality mushrooms in an indoor facility about 15 miles from the farm. They are certified Organic, fresh and delicious! Choose from a 1 lb bag every week or every other week.

## PAYMENT OPTIONS

**GET \$25 in extras credit with Pay in Full!**

**PAYMENT IN FULL:** Since a bulk of the farms expenses occur prior to the start of the season (spring labor, seeds, soil, supplies, machinery maintenance, etc), this is the preferred method of payment but not required. Use PAY IN FULL and get \$25 in Extras Credits to use throughout the season to purchase more stuff!

**DEFERRED PAYMENT:** You are charged 25% of your total due at the time of sign up, 25% the first week of shares, and the remaining 50% is divided equally across the seasons deliveries. Example: Small Standard Season Share is 20 weeks for \$20/week = \$400. You pay \$100 at sign up, \$110 the first week of share delivery and \$10 each week for the remainder of the 20 week season (\$190).

## OTHER THINGS TO KNOW

**VACATIONS, DOUBLE BOXES and PICKUP SITE CHANGES:** Going on a vacation? Now you don't have to miss out on your veggies! Working out of town some weeks and wish you could stop at a different site for pickup? No problem! Schedule a pickup site change prior to that week's delivery.

**MEMBER AGREEMENT:** During signup you will need to agree to the member agreement which outlines important information about if you miss a share pickup or have any issues with your share quality.
